EXCLUSIVE INVITATION

Caponago (IT), November 5th, 2018

We would cordially like to invite you to the official inauguration of our **new Aseptic Fill & Finish plant** at our **CordenPharma Caponago facility** in Caponago, Italy.

Our program on **November 5th** is comprised of key lectures (presentations) from industry renowned guest speakers such as **Mark Chipperfield**, Company Director & Principal Consultant of Corvus Device Consultancy, **Fred Defesche**, CEO of Beloteca and **Jakob Gjelstrup Kristensen**, Vice President Commercial Manufacturing of Zealand Pharma.

The day will continue with an interactive Q&A session with Mark Chipperfield on the latest updates and associated challenges of developing combination products for injectable devices.

We will close the day with an extended tour of CordenPharma Caponago, including the visit of our new state-of-the-art Aseptic Fill & Finish facility, giving you the unique opportunity to understand CordenPharma's full service offering for injectable drug products.

Did we spark your interest?
